

# CanCaN 2021 – Hygiene Concept

The rules of our conference are based on the current official version of [Tübingen University's hygiene concept](#). All participants are obligated to follow the rules stated there, as well as the specifications for our conference listed below.

## The 2Gs

Evidence of immunization (vaccination or recovery) must be presented by all participants upon entering the event space at "Alte Aula".

## Compulsory masks

A surgical mask that complies with DIN EN 14683:2019-10 or a comparable standard or an FFP2 face mask that complies with DIN EN 149:2001 or else KN95, N95, KF94, KF99 or another comparable standard must be worn at all times during the conference. The only exceptions to this rule are:

... if a minimum distance of 1.5 meters can consistently and reliably be maintained between people, whether in rooms (in contrast for example to hallways and stairs) or outdoors.

... for speakers, with a minimum distance of 3 meters to the audience.

## Seating

All participants will have assigned seats, which they will keep during the entire duration of the conference.

## Survey

For each day, all participants must fill a contact data collection form upon entering the event space at "Alte Aula".
