

Prisma Health Research Recognition Program Award Criteria & Eligibility

Purpose | The Prisma Health Research Recognition Program recognizes extraordinary efforts among Prisma Health personnel. With this Program, individuals are recognized, acknowledged, and rewarded for their contributions to the Prisma Health research community.

Eligibility Requirements for Nomination | Any individual involved with the research enterprise at Prisma Health may submit a nomination. Specific example(s) of the nominee's efforts and contributions should be submitted by the nominator as this is required for the Review Panels to adequately evaluate the nominee. Self-nominations will not be accepted.

Deadline for Nominations | September 30, 2023

Nominations | Nominations may be submitted [here](#).

Award Presentation | Awards will be announced on October 24, 2023
