## RURAL FAMILY PHYSICIAN OPPORTUNITIES Kenora, Ontario

Kenora is the second largest healthcare centre and the only Ontario Health Team in the Northwest region.

Our fully accredited teaching hospital is staffed with Family Physicians, FP Anaesthetists, General Surgeons, Internists, Psychiatrists, Radiologists, Pathologists all working to their full-scope of practice!

Our Family Physicians enjoy the ability to diversify their practice portfolio with the wide variety of medicine available: family clinic, obstetrics, emergency, addictions, sexual health, coroner, surgical assist, outreach, teaching, research.

### LOCUM OPPORTUNITIES AVAILABLE

Imagine a health system where wrap-around, patient-centred care is provided by robust inter-disciplinary teams reflective of the diverse communities being served is integrated and seamless across providers – at the hospital, in the community and at home.

Imagine a health system that is a leading centre for training practitioners, with enhanced technology and digital services; where health care providers are nurtured and supported, leadership is transparent and accountable: guided by reconciliation through healing among all nations.

Imagine working and living in a friendly, growing community where a work-life balance is easy to achieve; with a dynamic and collegial team in a model that lets you create your ideal practice portfolio, where you can care for a diverse patient population and incorporate traditional Anishinaabe and western medicine in your patients care plan

If you are interested in building a ground-breaking healthcare system and All Nations Hospital to expand local services and provide more care closer to home then Kenora may be the right fit for you!
