

AI4L Project Number: _____

This is a Licence to translate and publish agreement Open Access (hereinafter “this Agreement”) regarding the abstract and any related presentation associated to the same AI for Logistics Project (regardless of authorship) currently entitled (hereinafter the “Work”):

written by the author(s):

Provided in association with and to possibly be presented at:

AI for Logistics Conference May 2023

The Parties to this Agreement are:

_____ (the **corresponding author** on behalf of any other authors, collectively “You”) and the **National Research Council of Canada**, (“the NRC”).

1. By signing this Agreement, You warrant that You are signing on behalf of all authors of the Work and that You have the authority to act as their agent for the purpose of entering into this Agreement. If the institution or employer of any author(s) hold an ownership interest or a right to approve, edit, or review the Work, You warrant that all such claims by any such institutions and employers have now been fully satisfied and You have authority to sign for all such institutions and employers. You further warrant that You have the authority to sign this Agreement in respect of any such institution or employer and their interest in the Work.

2. You hereby grant a Creative Commons copyright license in the article to the general public, in particular a Creative Commons Attribution 4.0 International License, which is incorporated herein by reference and is further specified at <http://creativecommons.org/licenses/by/4.0/legalcode> (human readable summary at <http://creativecommons.org/licenses/by/4.0>).

3. You retain any copyright that You hold in the Work, however, You hereby grant to the NRC a non-exclusive, perpetual, worldwide, irrevocable, royalty-free license and release to translate, publish, reproduce, reprint, distribute, and otherwise make use of the Work and any translations in any format (whether electronic, hard-copy or otherwise) or media, and You authorize the NRC to use your name, likeness, photograph, and biographical data in connection with NRC use and promotion of the Work and the Conference.

4. You agree to request that attribution to the original publication of the Work be included in any attribution statement.

5. You warrant that, to the best of your knowledge, the Work does not violate any proprietary or personal rights of others (including any copyright, trademark and privacy rights), is factually accurate, and contains nothing defamatory or otherwise unlawful.

6. This is the entire Agreement between You and the NRC, and it may be modified only in writing. It will be governed by the laws of The Province of Ontario, Canada. It will bind and benefit our respective assigns and successors in interest, including your heirs. It will terminate if the NRC does not publish, in any medium, the Work within one year of the date of your signature.

HAVE READ AND AGREE FULLY WITH THE TERMS OF THIS AGREEMENT.
