

Even though several transport options are available to reach the town of Hvar, we suggest following the most convenient (total price ~ 30-40eur) one available by public transport: in front of the airport find the Pleso shuttle bus (white bus with Croatia Airlines logo) which will take you directly to the main bus station, located inside the Port of Split. From there you can find the ticket office and take one of the suggested Catamaran lines to the town of Hvar. Once you arrive at the destination, the hotel will be approximately 15 minute walking distance.

If you choose different transportation we may suggest taking a taxi (Bolt, Uber, Cameo) to the Port, followed by a Catamaran to the town of Hvar or the local public transport (yellow bus 37), followed by a walk through Split city center to arrive at the Port.

Please read the detailed instructions with timetables, prices and useful links about each available transport option in the text below. If you'll be buying the tickets for the Catamaran lines beforehand (online), ensure enough time to arrive at the Port before departing to Hvar. If arranging your travel through suggested routes is not possible, please contact the organizers for help with available options.

## **St. Jerome Airport → Split Port:**

From there you can take a bus line no. 9 or 10 from DOMOVINSKOG RATA - SUKOIŠAN station to TRAJEKTNA LUKA (Split Port) station or alternatively, enjoy a scenic 30-minute walk through old town Split and Diocletians Palace. ### **2. Taxi:**

At the airport, you have the option of taking a city taxi waiting in front of the airport or choosing from a variety of ride-sharing services such as Uber, Bolt, or Cammeo. These alternatives often offer more competitive rates compared to city taxis, providing you with flexibility and cost-saving

options. We recommend taking Uber, Bolt or Cammeo services due to their price (40-50€) and proven reliability. However, should you decide to take a city taxi, we advise confirming the fare beforehand (prices should be around 55-65€). Taxi ride is approximately 30 minutes long.

## Split Main Train/Bus station

If you are planning to come to Split by intercity transport, the main bus and train stations are located within walking distance from the port.
