PRACTICE OPPORTUNITIES

Established Practices

Family Health Organization looking for 1-3 family physicians

Transition into new practice or build a new practice

New South End family medicine office looking for additional family physicians

Opportunity to join New Sudbury family medicine practice

Opportunity to Join Boreal Family Medicine, a growing family medicine office that currently consists of 5 family physicians. For more information please email Dr. Renee Jacques at renjacques@nosm.ca

Vacant Space Available

Various spaces of all sizes available throughout Greater Sudbury, suitable to support/accommodate a family medicine office such as within Southridge Mall and Elm Place. Both offer scalable space to suit the needs of family physicians and would be designed based on requirements and size of group.

LOCUM OPPORTUNITIES

1

Family Medicine locum required ASAP to provide coverage 2-3 days per week for a FHO practice of 1100 patients in an office with experienced and supportive colleagues and staff. Coverage includes mostly virtual visits with in-person visits as needed one day per week.

<https://hfojobs.healthforceontario.ca/en/posting/79918/>

2

Family Medicine locum required beginning September 1st, 2021, for 2.5 days per week, for up to 9 months. Start date and term of the locum is flexible. Practice is within a FHO and consists of 1,000 patients. Schedule is flexible and compensation is \$1,000 per day, and even though coverage consists of 2.5 days per week, compensation for 3 days will be provided to account for time covering labs. As part of the FHO requirements, there is a requirement to cover one walk-in shift per month from 5pm – 9pm (during the week) for which additional compensation will be provided.

<https://hfojobs.healthforceontario.ca/en/posting/80752/>

3

Family Medicine locum required 2-4 days per week beginning in July for a 3-4 month period depending on availability of candidate. Schedule is flexible.

4

Family Medicine locum required for various weeks throughout the Summer, Fall and Winter and can be scheduled depending on the availability of the candidate. The practice is part of a Family Health Team.
