ATIKOKAN
GENERAL HOSPITAL

MAKE A DIFFERENCE IN THE NORTH

Fulfilling Practice:

- Atikokan General Hospital is a 41-bed facility dedicated to excellence in patient-centered care. We are partnered with the Atikokan Medical Clinic and the Atikokan Family Health Team to provide a range of primary-care services.
- Wide scope of practice including: ER, acute care, complex continuing care, long-term care and a full range of diagnostic services.
- Excellent support from specialists in larger partnered communities.
- Intellectually rewarding work and exposure to unique case presentations.
- Strong autonomy with your practice, flexible scheduling, and less stressful environments compared to urban centers.
- Teaching opportunities available through NOSM U and other Canadian institutions.

Supportive Environment:

- Friendly work environment that provides professional and social support within the community.

Opportunities for skill development and continuing medical education.

- Mentorship available to facilitate smooth transition into our team.
- Quality support and backup with a focus on a team-based approach to medicine.

Locum/Contract Opportunities:

- Flexible full-time, part-time and locum contracts available.
- Moving/travel expenses and competitive remuneration provided to contract physicians and locums.
- Contracted physicians are eligible for a 4-year incentive of \$114,200 (through the Northern and Rural Recruitment and Retention Initiative).

ATIKOKAN

Where tranquility meets adventure

- We are a vibrant community of approximately 2800 people (5000 seasonally).
- Our region is known as 'Sunset Country' for its picturesque forests and pristine clear-water lakes.
- The name "Atikokan" comes from the Anishinaabe term "Adikogan"- meaning 'caribou bones.'
- Atikokan is known as the 'Canoeing Capital of Canada'.
- We enjoy a low cost of living with most homes selling for sub-\$200,000.
- We have been designated as a 'Safe-Community' by the World Health Organization.
- Our community offers many annual events, an entertainment series, and a busy recreation center to provide plenty of fun for the whole family.
- We enjoy quick access to an abundance of outdoor activities in all four seasons... summer or winter, there is something to satisfy all levels of outdoor recreation.
- Our new K-12 school and childcare facility will also ensure access to an excellent education and support system.
