Locum Opportunities with the [Rural Family Medicine Locum Program \(RFMLP\)](#) or [Northern Specialist Locum Program \(NSLP\)](#)

The Ontario Health (Health Force) locum programs provide short-term locum coverage for practicing Rural and Northern physicians. Placements may be as short as a few days or a few months! All jobs are posted on www.HFOJobs.ca or contact the Northern Health Workforce Advisors above to discuss these exciting opportunities.

Benefits for Locum Physicians:

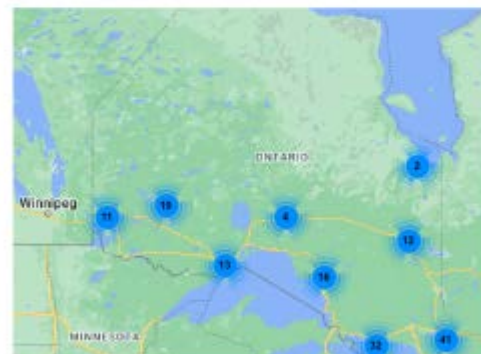

- Daily stipend, including travel stipend if applicable
- Reimbursement of travel and accommodations
- Travel to communities you may not otherwise experience
- Test out different models of practice
- ALCS, ATLS, and Ontario Indigenous cultural safety training reimbursement (RFMLP)

[Providing Locum Coverage in Ontario](#) – online module from Ontario Health (Health Force)

This module offers:

- An overview of best practices and tips for making the locum experience one that works for the practice, the locum physician, and the patients
- Resources for finding locum opportunities in Ontario
- An overview of the different provincial programs that support ongoing patient care through locum coverage in rural, remote and Northern communities.

Hundreds of Physician opportunities to choose from across Northern Ontario!
Visit www.HFOJobs.ca for details.
