

# Information for Poster Session Speakers

The poster session is informal and allows conferees to share their research with colleagues on a one-to-one basis. Presenters convey information by displaying their poster on the provided bulletin board.

## Your poster dimensions should be:

45" X 45" or 115.4 cm X 114.3 cm

Although your poster will be displayed for the duration of the conference, a period is scheduled on June 13 between 10:00 a.m. and 10:30 a.m. for a 120-second teaser presentation. You are invited to be present near your poster during health breaks.

## Layout and set-up

### Layout of the venue:

Upon your arrival on the conference floor of the Grande Bibliothèque, please check with Maura Tomi of the IRSST or the Secretariat representative (at the reception table in the lobby). They will have a detailed map indicating the location that is assigned for your poster.

### Setting up the posters

- The morning of June 13, starting at 7:30 a.m.

### Removal of posters:

- June 14 at 15:30

All materials left in the poster area after 5:00 p.m. will be dropped off for recycling.
