

Provincial and Federal Resources

Resource	What is it?	Who is it for?
CAMAP (Canadian Association of MAiD Assessors and Providers) https://camapcanada.ca/	<p>Canadian wide forum, full of great resources and supports to ensure you are confident in your MAiD assessment.</p> <p>“There is a cost to enroll, but the support provided has been paramount especially when the new legislation was passed this Spring without a lot of formal direction/support from the government on how to implement the new changes to support track 1/track 2 referrals.”</p>	Physician / Nurse Practitioner that is wanting to begin participating in assessments
Ontario Government website: https://www.health.gov.on.ca/en/pro/programs/maid/	The most up to date Provincial MAiD information	Anyone looking for more information about the provincial MAiD program
Federal Government website: https://www.canada.ca/en/health-canada/services/medical-assistance-dying.html	The most up to date Federal MAiD information	<p>This the best place for a Physician / NP to start as it has all the necessary forms laid out</p> <p>Anyone looking for more information about the federal MAiD program</p>
The College of Physicians MAiD Handbook	Has a handbook that is very detailed (although outdated now, but still covers all the specifics)	https://www.ontariofamilyphysicians.ca/files/maid-handbook-0-2-2018-august-2.pdf
